

## Directed Writing - 20 Marks

### SCENARIO 1: Employability

Last spring, you worked at a children's summer camp in the south of France. On your return, you were asked to write an account of your experience, in **French**, for your local newspaper.

**You must include** the following information and **you should try to add** other relevant details:

- How you found the job
- Where you stayed while working there
- What your job entailed on a daily basis
- How you got on with the children
- What you did on your days off
- Whether or not you would recommend the experience

You should write approximately 150-180 words

**OR**

### SCENARIO 2: Culture

Last year, you travelled to France with your friends to attend a music festival. On your return, you were asked to write an account of your experience, in **French**, for your school/college website.

**You must include** the following information and **you should try to add** other relevant details:

- How you travelled to France
- How you got on with your friends
- How you saved money during your time away
- What you did to improve your French during the trip
- What other things there were to do at the festival
- Whether you have any future plans to return to France

You should write approximately 150-180 words
